Summary

As a third year student at **Ho Chi Minh City University of Science**, I'm pursuing a Bachelor's degree in **Software Engineering** and have gained valuable experience in **Web Development** using **ReactJS** and **NodeJS** technology. I'm passionately seeking opportunities to both contribute to projects and advance my skills as a software engineer.

Education

University of Science, VNU-HCM
Oct 2020 - Nov 2024 (Expected)
- Information Technology, High Quality Program
- **Major:** Software Engineer
- **GPA:** 3.63 / 4

Projects

Jobee
Apr 2023 - May 2023
- **Description:** A web application for searching and applying for job opportunities quickly. Additionally, companies can post jobs and manage candidate profiles throughout the recruitment process.
